## HONOR AWARDS ISSUE

This issue of the **Journal** is devoted to the reproducing of Honor Award Prints from the U.P.A. 6th Annual Conference at The University of Maryland, 1967. Other Honor Award Prints have been used in previous **U. P. A. Journals** and therefore not duplicated here. They show a wide variety of subject matter that the university photographer encounters and the skill with which he executes the assignment. It is hoped that this high standard will be met by the Honor Award photographs from this year's U.P.A. 7th Annual Conference to be held at the U.S. Air Force Academy, April 2, 3, 4, 5, 1968 in Colorado.

## ARTICLES NEEDED FOR FUTURE UPA JOURNALS

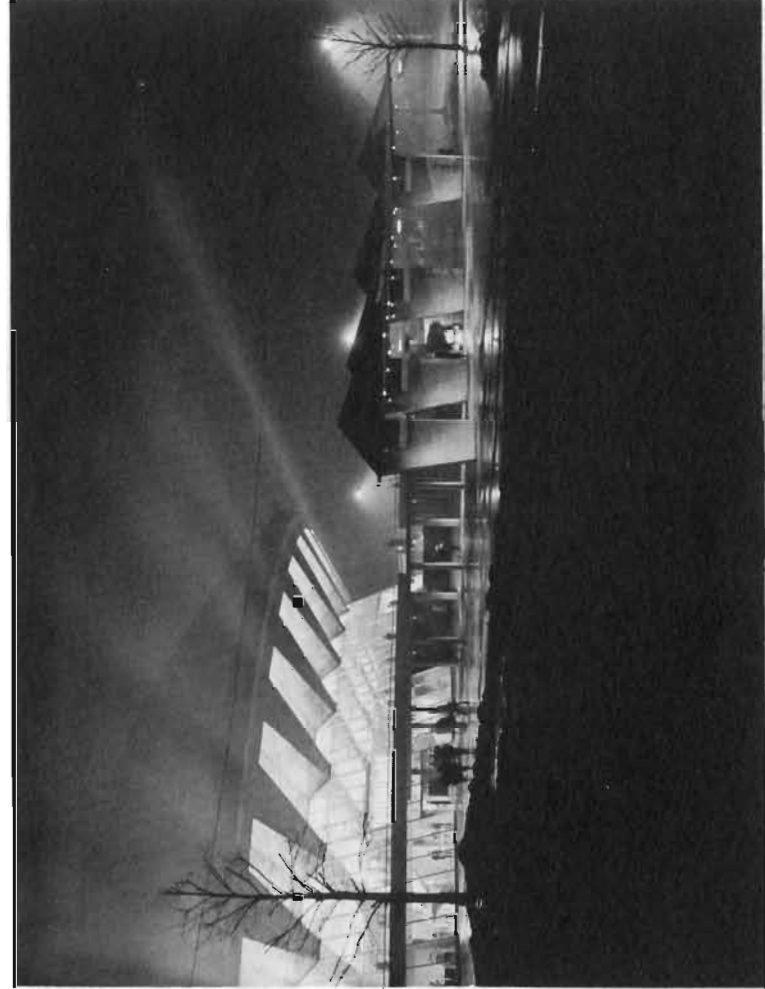

The **U.P.A. Journal** is your periodical. What interests you interests your fellow members. Do you have ideas on doing your job better? Do you have a unique laboratory set-up? What's your filing system? Do you have new solutions to better set your work? How about a story concerning your university photographic service (with pictures and a photo of yourself)? We can edit (and revise) if **necessary**. Your ideas are the main concern. Let the other member read about you—as well as you reading about him.
